Our pricing formed based on the following reasons:

The scooter and the helmet maintenance procedure requires time, special cleaning, disinfecting, polishing formulas and equipment.

Each time you return a scooter, we are checking the scooter for damages

We clean and disinfect the helmets in depth using Motul® Helmet Interior clean formula and Dettol® Antibacterial Surface Cleanser Spray

We are washing, disinfecting where needed and polishing the scooter.

Travellers who book a Vespa just for a day or two usually ride more kilometres per day than those who rent the Vespas for longer periods.
